## Additional Charges

<b>Coated purity</b>	\$43.20
Includes decoated noxious exam & percent coating material. Cost is in addition to standard purity analysis.	
<b>Decoated germ</b>	\$16.00
Charge in addition to cost for standard germ test. Poaceae must be decoated prior to germination test.	
<b>Decoated germ - Mix</b>	\$18.00
Additional charge per kind to be separated.	
<b>Dormant seed check</b>	\$66.00
Supplemental test after a germination test using tetrazolium to determine dormancy in firm, ungerminated seeds.	
<b>Hand planting charge</b>	\$22.50
<b>Hourly charge</b>	\$75.00
<b>Hourly charge - 1.5 hour</b>	\$112.50
1.5 hour charge.	
<b>Hourly charge x2</b>	\$150.00
<b>Revised Report</b>	\$16.20
Revised reports must be requested by the original sample submitter in writing. We are not able to change a variety from VNS to a named variety.	
<b>Soil exam and purity</b>	\$40.00
Purity examination with soil exam requested at the same time as purity. Cost is in addition to the cost of the purity exam.	
<b>Weed search</b>	\$40.00
Bulk examination for a specific crop, weed, or noxious weed contaminant. Only the kind specified will be reported.
